## NORTHERN ILLINOIS UNIVERSITY MARCHING HUSKIE SHOW BAND

### OUR MISSION:

The N.I.U. Marching Huskie Show Band is a professional organization established to promote excellence within the individual as well as the entire university community. Membership is widely dispersed among the university population including representatives from each of the five major colleges. The band strives for professionalism within all facets of its performances both on and off the field.

In it's efforts to treat music as an art and a profession, the marching band should bring increasing artistry, understanding, dignity, and respect, by thorough and independent effort within the marching band's own immediate sphere, by leadership from within its own ranks, and by cooperation with all other agencies interested in pursuing similiar musical goals.

### OUR YEARBOOK:

Back by popular demand, the 1979-80 yearbook is a tribute to those who have worked in the continued success of the Marching Huskie Show Band. Special acknowledgement goes to those who have helped to make the yearbook a reality.

Dear Readers:

I hope you enjoy this 79-80 yearbook. It is especially dedicated to those Show Band members who worked hard this year in presenting our show to over 500,950 people. I hope each of you had as much fun as I did this year. I would like to thank the seniors who are leaving and any others who will not be returning for the 80-81 season. It was a pleasure and an honor to know and work with every one of you. I look forward to seeing those who will be returning next season. I hope this yearbook brings back good memories of the past season.

Thank You,

Show Band Staff and Members of  
the Marching Huskie Show Band

Dear Show Band:

The job of president of an institution like Northern Illinois University is very demanding but the rewards like the success of the Marching Huskie Show Band make me very proud. It seems that every time I turned around the Show Band was making another appearance on behalf of the University. I have watched the band at football games, basketball games and several special activities, but your outstanding performance at the MAC Basketball Playoffs can be counted as the highlight of the year.

To acknowledge the long hours and hard work with praise is very difficult, but I can tell you that your efforts have not gone unnoticed. The smiles from your parents, the applause from our alumni, the cheers from your peers, and the standing ovations from the fans for which you have performed is the testimony of your professionalism.

On behalf of the University, I extend congratulations to you for a very successful season. I would also like to add my personal thanks to those student performers who are graduating and hope that their experiences at Northern in their academic and extracurricular pursuits will make them active and involved alumni. To those students who continue at Northern I again look forward to being the best and most avid fan of the Marching Huskie Show Band.

Sincerely yours,

William R. Monat  
President

Dear Members:

We have come to the end of another great year and the Show Band once again has made history. The band became international with its' fall tour to Canada. We became the first college marching band in history to play three regular season professional football games. The Show Band traveled more miles in their two major tours than any college band in the nation. The lists of our accomplishments are many, but being successful was the most exciting part of our season.

I am pleased with the professionalism our membership had at the various functions throughout the year. It was enjoyable for me to see our students giving their best and in return making a name for themselves, the Show Band, and the University.

The hardest part of any season is saying goodbye to those who have marched their last time. Each of you will be missed and I hope this yearbook brings many hours of enjoyment in remembering the wild and crazy things you did as a member of the Marching Huskie Show Band.

Sincerely,

  
Michael Th. Embrey, Director

## THE RAINBOW

Many people asked at the beginning of this season why we were using the rainbow again this year. No one could ever get a straight answer from Michael Th. Embrey.

Some people believe the rainbow was used to keep the twirlers warm.

Other people think it was used to hide the Silverettes' drill for Chorus Line/Over the Rainbow.

Others have wondered if it was used as a marker to help the drummers in executing the marching drills.

Others have concluded the Show Band couldn't afford new field props so they used it again hoping no one would notice.

Others thought the spiral of colors was used to cover the holes in the astro-turf.

Others wonder if the arc of happiness was used to hide droppings left by our Huskie mascot.

Band Director Embrey announced at the fall banquet that the Rainbow will be retired after two years of service. N.I.U. President William Monat also agreed that it was a good idea. I guess there is a pot of gold at the **end** of every rainbow.

"You've got to come back for just one more season Mr. Embrey....We can't figure out how to open the rainbow."

Dear Dave,

Thanks for forwarding that request from your band director. I'm sure this list of songs that will be played by drum and bugle corps this summer will help you in selecting another opening song for your band.

Sincerely,  
Drummond Bugle, DCI Inc.

Dear Drummond Bugle,

We try to remain original.

Dear Dave,

My life in my dorm room hasn't been the same since band bus tours. With my back permanently contoured to a bus seat I can't get comfortable at night. When I go to the bathroom it just isn't the same without crawling over 50 people and trying to hit a moving target. At night I wake up screaming "Are we there yet?" What advice can you give me?

Fits at Night

Dear Fits,

Hang tight, it's only 137 days till next tour.

From the desk of DEWEY, CHETIM & HOWE

Dear Dave,

Here's a new idea for a fund raiser! A contest having contestants jog around a track and making stops to sell cheese and sausage culminating at a dance marathon. What do you think?

Dear DEWEY, CHETIM, & HOWE,

You have a future in the N.I.U. Show Band.

Dear Dave,

I'm in love with all the N.I.U. Silverettes, I think they are the prettiest bunch of girls on campus. How can I get a date with these lovely's?

Dateless

Dear Dateless,

Join a Frat.

Dear Dave,

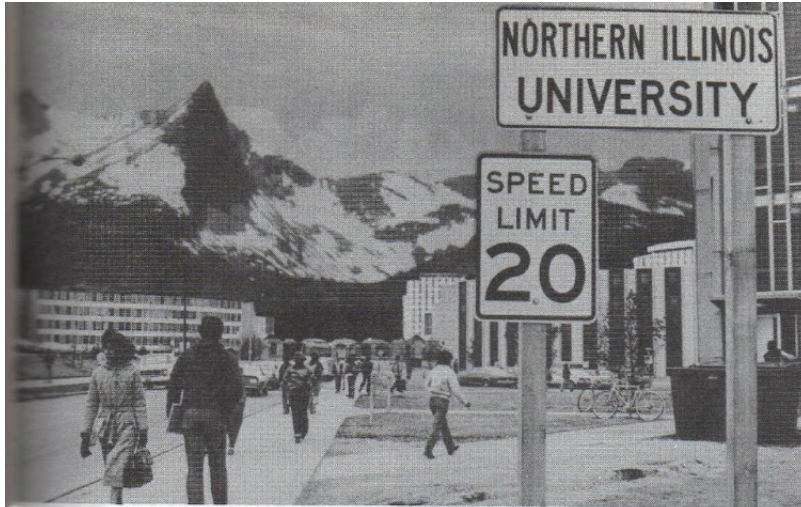

You wouldn't believe the things I've done to try to get girls. I've been 2nd chair in the N.I.U. Jazz Ensemble and Drum Major of the N.I.U. Show Band for the last 2 years. I have black hair, a mustache (well sort of) and am considered good looking, (doesn't my mother's opinion count?). You'd think that would be enough, but NOOO! I even bought a corvette. What can I do?

Bagel Lover

Dear Bagel,

Dye your hair blond and part it in the middle.

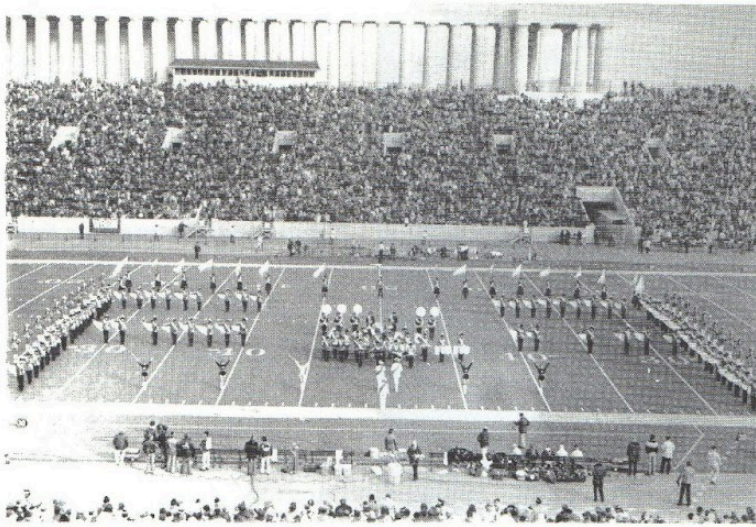

There goes our practice field.

**OUR ALUMNI . . .** Too bad they don't know the real words to the "Fight Song".

Party at Katz's house.

This is silly, if Marge wanted the capes to stand out why didn't she put starch in them?

Don't push . . . there is room for everybody.

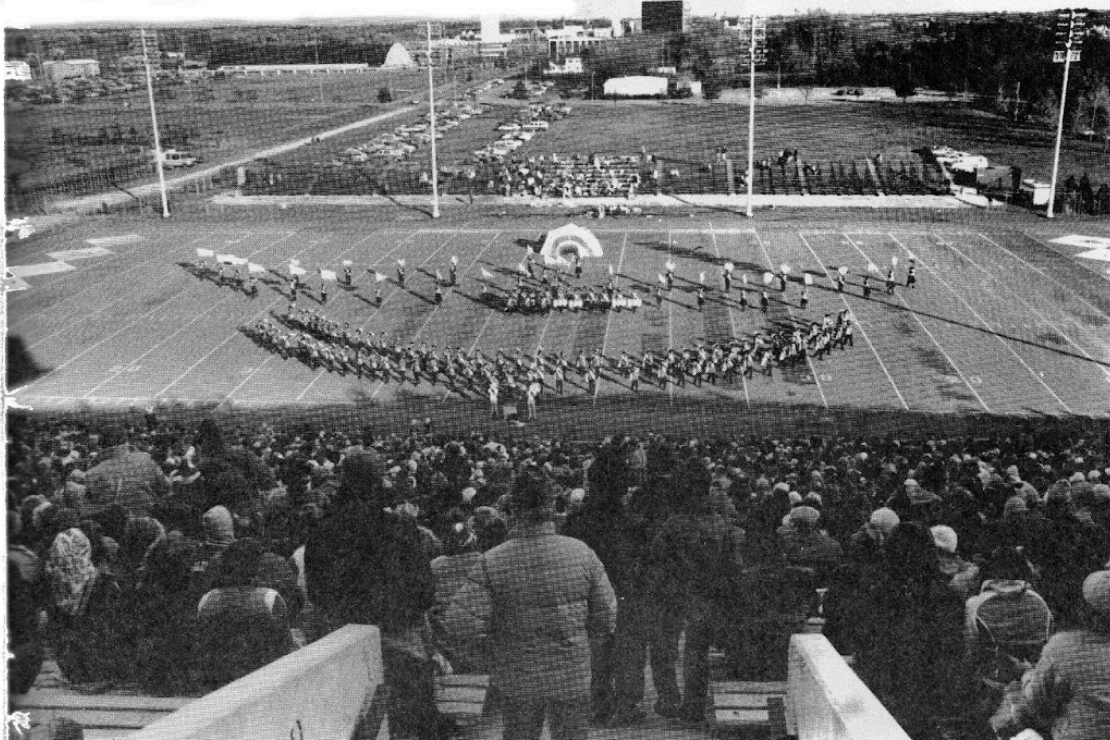

People at Eastern Michigan know how to have a good time

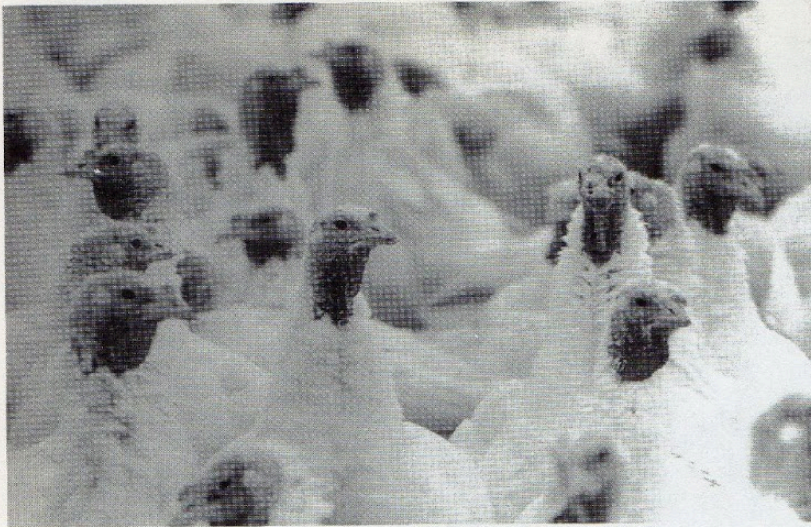

I should have believed Mr. Embrey when he said that there would be standing room only.

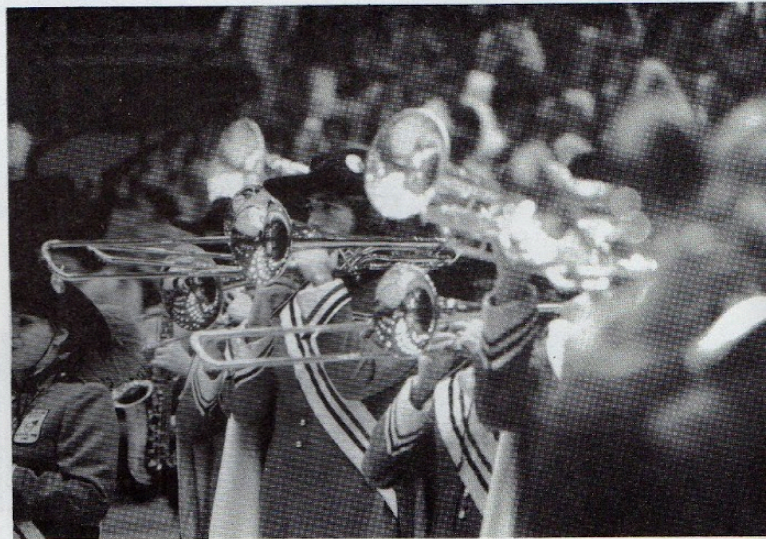

Golly, when did the Band start using the rainbow?

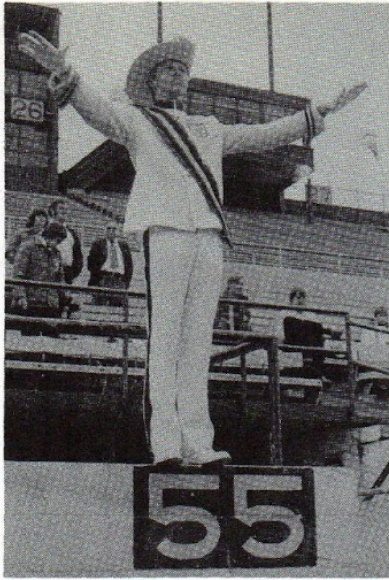

Band party at Dave Johns apartment.

I wish those drummers wouldn't march so close.

How many have had a terrific fair with Dave Katz?

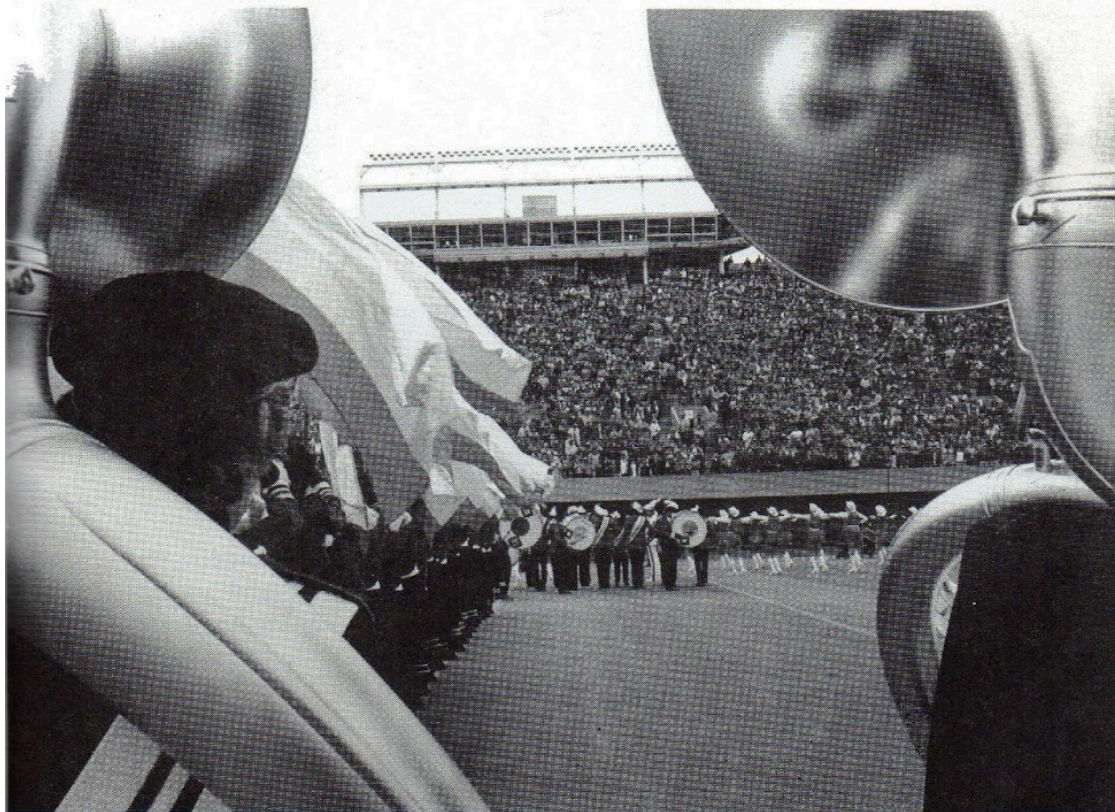

Kirk never could find the 50.

Do you see what I see?

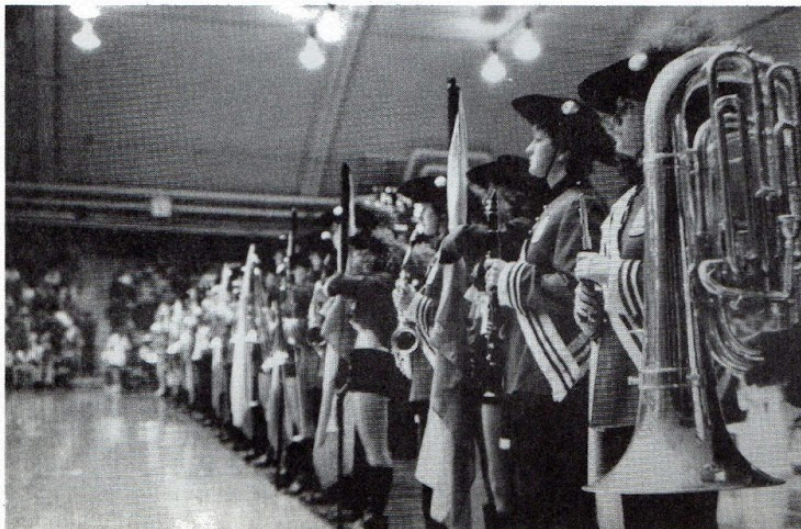

How did that photographer get in my rank?

Who put the glue on my baton!

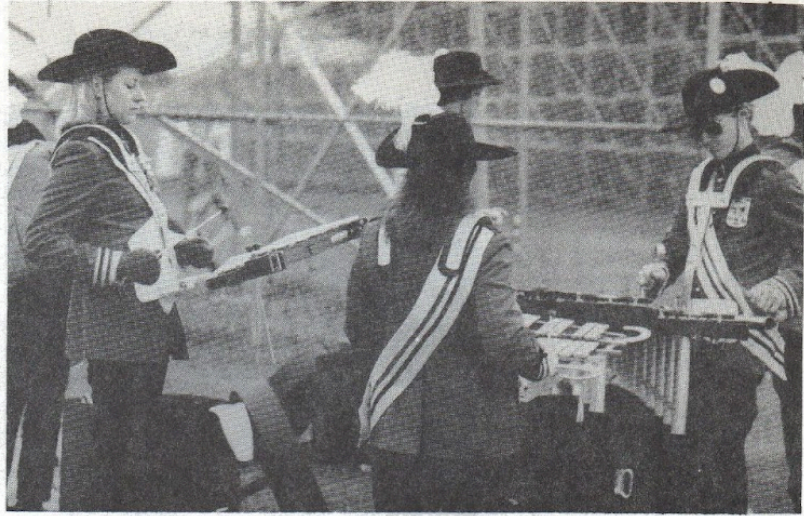

No wind and all we do is stand here.

How come I always have to go to the bathroom when I get to the starting line?

There is no "H" on these things.

Maybe no one will notice I wore my hat in the rain.

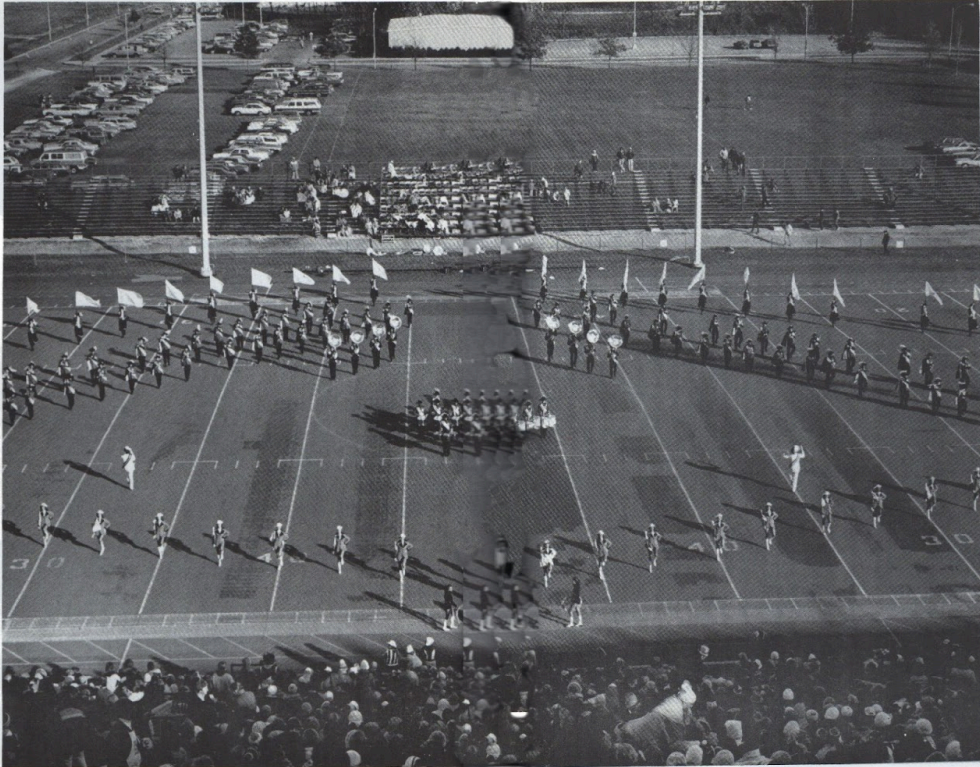

Get down, come on Get down . .  
and we never missed a beat.

WON: 42

LOST: 0

MARCHING HUSKIE

SHOW BAND

The band's loudest fan, don't believe him . . . just ask him.

Where is Ivan going . . . oops, he didn't make it.

Some people had nothing to do at Mardi Gras.

Look at all the fans for Homecoming, 12, 13, 14, 15 . . .

I heard they were cutting the band, but this is ridiculous.

You know you are old when you march in the back of a truck.

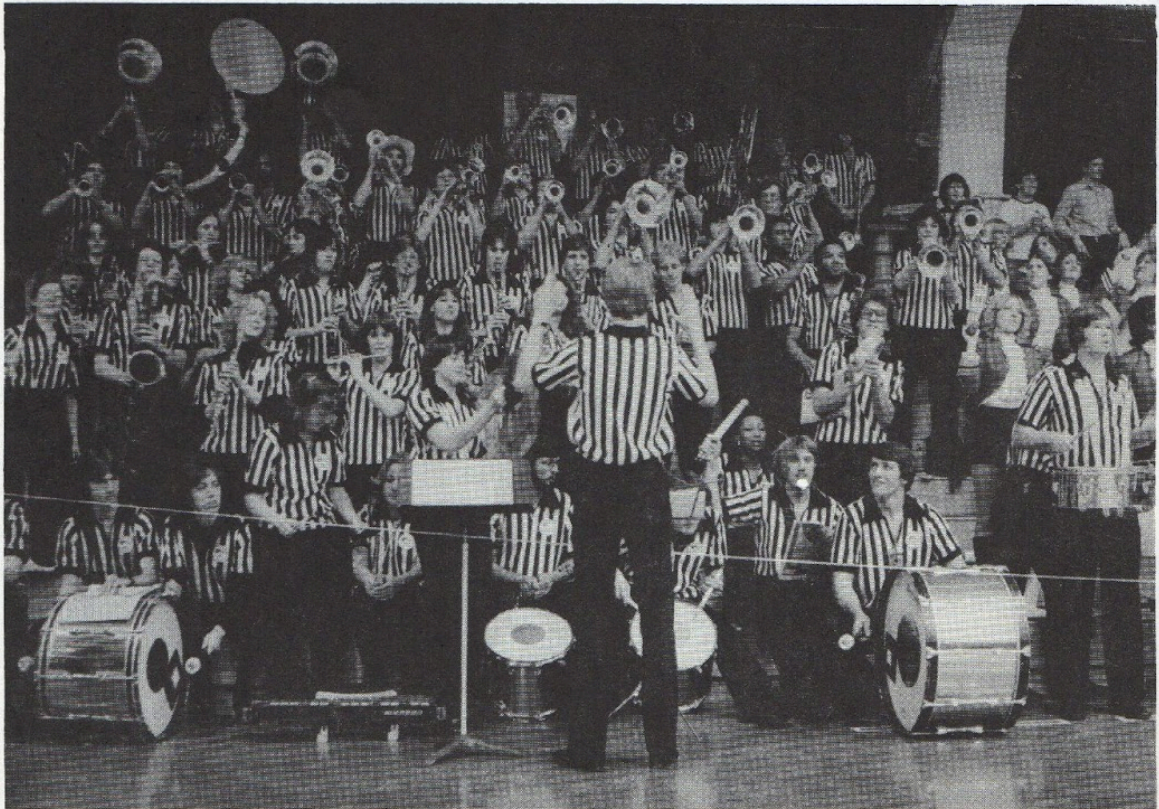

There was nothing to do on tour.

Honest, I only need one valve.

Just think, 4 more years and I'll be paroled.

Honk . . . now I know where my missing sock went.

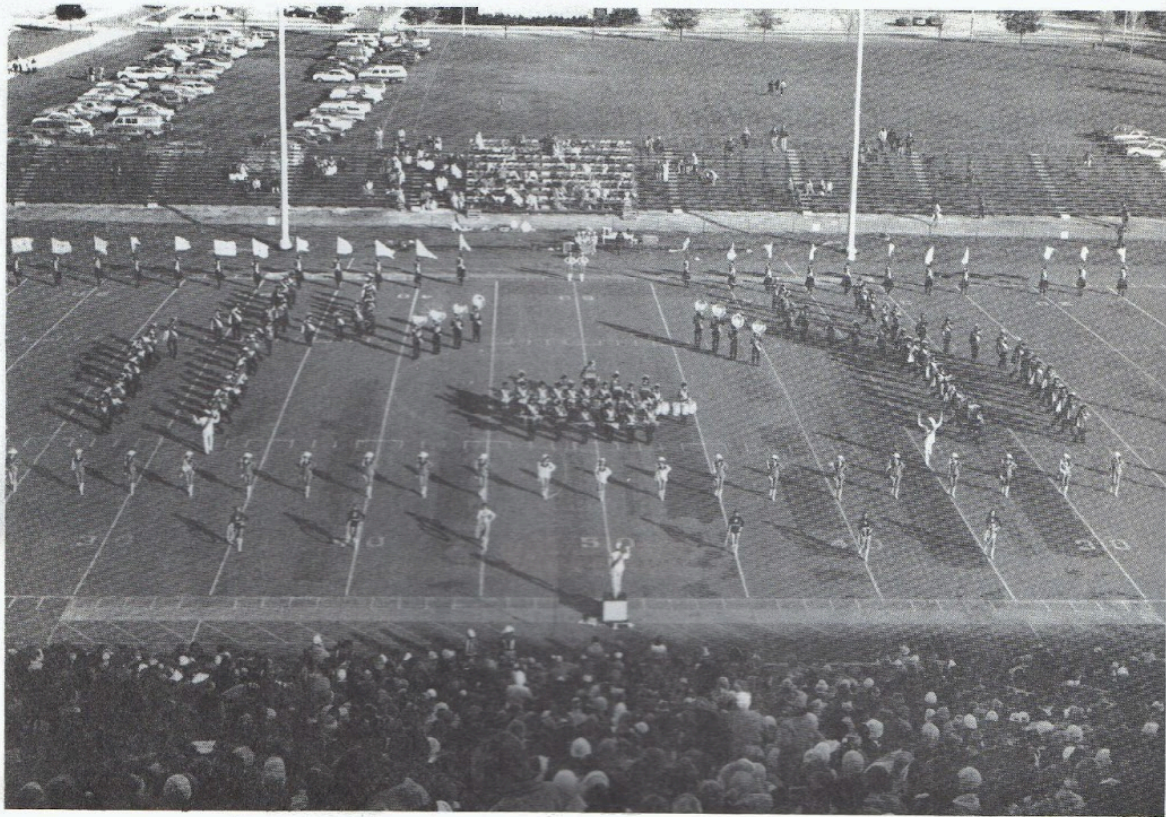

Jean's mom would be proud.

And they said toilet paper wouldn't work as streamers.

\$6.00 for a halftime show - plus a free game of football.

I wish the drummers would stop pinching my \_\_\_\_\_.

Where is that ad for wine at \$1.05 a gallon?

Old staff never die,

they just go on band tours.

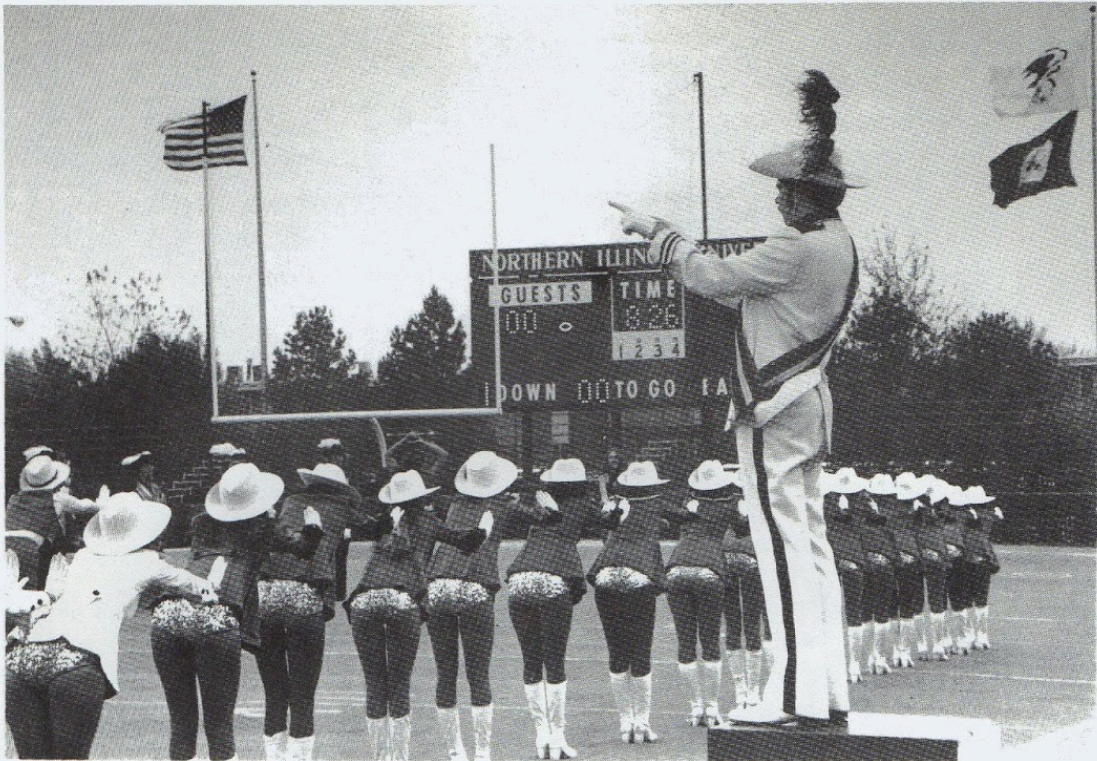

Do these hands wash dishes?

If they don't like our music we  
will go play for the other side.

Nice ending.

Our new uniforms for 1980-81.

### Fellow Show Band Members:

Well, we've done it again! Another chapter in the history of the N.I.U. Show Band has been completed and people are still talking of our past performances (on and off the field) and wondering what we'll try to pull off next year.

To Eric Dahlstrom, Kirk Lundbeck, all graduating seniors and to the rainbow, thanks for the good times and memories. And to the returning members I hope you are looking forward to next year as much as I am so we can say (with apologies to my favorite fast food restaurant) nobody can do it like the N.I.U. Show Band can!

Sincerely,  
Dave Johnson, President
